

Sparkling Celebrations at Sheraton Grand Danang Resort

Pack your bags and head to Sheraton Grand Danang for a laid-back and luxurious vacation. Celebration deals for the Lunar New Year and Valentine's Day as well (as the endless infinity pool) make this the ideal location for the ultimate February get-away.

This swoon-worthy, 5-star resort on Vietnam's central coast comes complete with swaying palms, white sands and the gentle sound of waves for background music. The Sheraton Grand Danang offers up everything you need to take your holiday to the next level. No stress, no interruptions from the outside world and the best part? It's easily attainable from HCMC with only a 1.5-hour flight.

At the Sheraton Grand Danang, from the moment you enter the resort, you're in another world. A world where panoramic views of blue waters and private beach stretch on to infinity. The exterior of the hotel gives way to rooms whose pale tones are elevated with muted opulence, drawing attention to the turquoise waters of the sea beyond the windows and the plunge pool on the balcony. And if that isn't enough to help you forget your worries for a while, imagine this: the hotel features a quarter-kilometre long infinity pool complete with a pool cabana serving craft cocktails, snacks and fresh juices.

Welcome to luxury. You're going to want to stay awhile.

This February, let the Sheraton Grand Danang take care of the vacation planning. Whether you're

prepping your Têt holiday with the whole family or stepping out of the city chaos for a little R&R with your special someone, look no further than the resort's holiday packages and beachside bliss.

Sun, Sea, Spa and Sweets

Until the 10th of February, if you book a minimum 2-night stay, you'll enjoy Sheraton Grand Danang's Sparkling Celebration deal—perfect timing for ringing in the lunar new year in chic comfort. After breakfast at Table 88, send the little ones to the Kids' Club and head to the Shine Spa where the Sparkling Celebration deal will treat you to a soothing 20 percent off.

Most people would agree that the thing that defines holidays the most is the festive food. Yet, there is one simple fact when it comes to family meals and that is that it's impossible to please everyone. From dietary restrictions to the finicky palates of under-5 guests, holiday meals always account for a large percentage of organisational headaches. Leave the culinary stress behind and let everyone choose for themselves. The Têt Brunch at La Plage restaurant features a boundless selection of

authentic Vietnamese dishes that are sure to satisfy every culinary whim. Pile your plate with all of your favourites and ring in the Year of the Pig surfside. A complimentary bottle of Louis Roederer rounds out the celebratory feeling.

For something really special and unique to Sheraton Grand Danang, try the Crab Fest Special at The Grill. Seven different types of crab are available and prepared to perfection. Try this upscale restaurant's signature Blue Crab Beignets, which are sure to please even the most discerning tastes. More treats for the new year include a Sweets Buffet in the Tea Lounge featuring the resort's most delectable savouries and sweets as well as more than 25 world-class teas and Illy or Vietnamese coffees.

Sheraton Grand Danang is Passionate About Romance
